The International Observer

Newsletter from International Centre the for Prevention of Crime (ICPC).

The International Observer welcomes all suggestions for newsletter content. Feedback, story ideas, presentations, research or evaluation studies, publications, projects, events, nominations and appointments, and job vacancies can be sent to : journal@crime-prevention-intl.org

The International Observer wishes to publish information in as many languages as possible and invites submissions in all languages. Although the ICPC does not currently have the resources to translate and re-publish all such information, we still wish to promote international knowledge-sharing. We therefore welcome all crime prevention-related publications that may contribute to our multi-lingual Resource Centre.

The new edition of the International Observer on Crime Prevention has been posted on our website at www.crime-prevention-intl.org/english/observ/

The International Observer is posted monthly to keep you on top of a diverse selection of crime prevention issues, activities, personalities, events, projects, and publications from around the world.
